Transaction Limitations (continued):

Maximum Contribution. The total amount you may contribute to an IRA for tax year 2023/2024 cannot exceed 100 percent of your earned income or \$6,500 for 2023 or \$7,000 for 2024 whichever is less. If you also maintain a Roth IRA, the maximum contribution to your Traditional IRA is reduced by any contributions you make to your Roth IRA. Your total annual contribution to all Traditional and Roth IRAs cannot exceed the lesser of the dollar amount described above or 100 percent of your earned income.

Catch-Up Contribution. If you are age 50 or older by the close of the taxable year, you may make an additional contribution to your Traditional or Roth IRA of \$1,000 for the tax year 2023/2024.

¹The annual percentage yield (APY) assumes the principal and its dividend will remain on deposit until maturity. Withdrawals, fees and other conditions could reduce earnings.

²Annual percentage yield and dividend rate are the same if crediting to another account option is elected.
