

COMMUNITY IMPACT 2022

Langley

Save, Borrow & Spend Wisely

OUR GOAL IS TO MAKE A DIFFERENCE IN PEOPLE'S LIVES EVERY DAY

In 2022, our community celebrated being together again with COVID restrictions gradually lifting over the course of the year. As it became safe to travel and reunite with loved ones, the long-term health and economic impacts of the pandemic began to unfold. With inflation making the basic cost of living challenging for more families across the Hampton Roads community, nonprofit agencies were some of the hardest hit organizations, facing significant challenges over the course of 2022. Many nonprofits saw an increased need for their services as well as increased cost to provide those services. Langley Federal Credit Union and the Langley for Families Foundation were uniquely positioned to support our community's most impactful nonprofit partners, ensuring critical resources and services were available for our friends and neighbors in need.

COMMITTED TO HEALTH AND WELLBEING

Langley prioritizes mental health and physical wellbeing for our members and the communities in which they live, work, and play. Through partnerships with non-profit organizations and clinics, Langley supports healthcare as a right for all.

Langley reaffirmed its commitment to mental health in the third year of its five-year

\$1 MILLION

pledge to Children's Hospital of the King's Daughters' (CHKD) new mental health hospital.

CHKD's mental health hospital opened in 2022 with outpatient and inpatient services having started in April and October respectively.

Located in downtown Norfolk, the new mental health hospital is making a significant impact in the community by filling a much-needed gap of services. The hospital includes 60 inpatient beds, an extensive expansion of outpatient services, and training for mental health professionals.

SUPPORTING ACCESS TO EDUCATION FOR DESERVING STUDENTS & TEACHERS

Access to education is the foundation of success and financial wellbeing. Langley is dedicated to increasing access to higher education, supporting local students and teachers, and helping bridge the technology gap.

Living the Langley Experience By Serving With Pride

The Langley team is committed to making a difference in the communities we serve. Employees volunteered individually, as well as in organized group activities. With COVID restrictions gradually lifting over the course of 2022, Langley was able to take on volunteer opportunities that had not been available or safe to do in 2020 and 2021.

With 2021 Day of Service being limited due to the pandemic, Langley was thrilled to kick off 2022 by volunteering at nonprofits across the Hampton Roads community. Over 100 employees participated, completing 13 volunteer projects which included painting offices, organizing thrift stores, home renovations, and more.
